Dr. Carrier will have his books to sell and sign

Richard Carrier has a doctorate in ancient history from Columbia University. He has published papers and books on history and philosophy, including work on early Christianity, atheism, Bayes' theorem, and ancient science. His most recent book is *The Scientist in the Early Roman Empire* (2017).

This is Dr. Carrier's first lecture on the link between ancient mystery religions and early Christianity. It is largely based on material explored in his peer-reviewed 2014 book, *On the Historicity of Jesus: Why We Might Have Reason for Doubt*.

No food or drink is allowed in the room.
